If the book does not appear in "My Checkouts," it was not properly checked out. Find the book again, and click "download (offline)" on the initial item page. See "3. Save the ebook" above.

If the book is in "My Checkouts" but still does not download, make sure your AdBlocker is not blocking pop-ups. You may need to disable it on this page. You should also double-check your downloads folder to make sure it hasn't saved.
